CLUB NOTES

Five points out of last six

At last our fortunes are looking brighter. The signs of a revival in our welcome win at Charlton were borne out by a 3-0 win against Leyton Orient, and this in turn stimulated a more confident and optimistic spirit. The sequel was a well-earned draw with Bury at Gigg Lane a week yesterday.

While this was never a game to send either the home crowd or our considerable following into raptures, partly due to the bad weather conditions and the slippery surface of such parts of the pitch as were not waterlogged, North End fought spiritedly and were not dismayed when Bury took the lead.

Alex Alston scored against his old club, thus satisfying a personal ambition after two or three attempts in a goalless first half so poor that it was best forgotten. His success put some much needed life into the game and Bury had to take a least as much as they gave in the way of pressure.

Our finishing, unfortunately, was not too good, Bury's tight defence keeping a firm grip and their own attacks became increasingly dangerous for a time. Tony Singleton came to the rescue with a wonderful sliding clearance off the line when a shot by Alston seemed certain to go in for a second goal.

CLUB NOTES — continued

From this point North End got on top and Bury had two or three escapes before Dave Wilson, seven minutes from time, lashed in a fine volley from a corner by the new outside left Frank Lee, and saw his rising cross drive leave Harker helpless as it sped into the far top corner.

This ended the scoring and it was a just result since neither side really deserved to lose. Considering Bury's recent scoring spree it was a satisfactory performance to hold their lively attack, in which young Colin Bell did much clever and intelligent prompting. Our defence was seldom at fault.

The valuable point gained made North End's return five points out of the last six, and two of these matches have been away from home. That is good going by any reckoning and, at least, has pulled the club away from a precarious lowly position. We hope for better results from a more settled team.

The outlook is brighter despite the wretched luck for Nobby Lawton and his club, of cartilage trouble which necessitated an operation and means his enforced absence for some weeks. The operation was successfully performed on Tuesday and the patient is bright and cheerful. His recovery is a matter of how long it takes for the knee to heal.

Alan Kelly is on the mend, and this week Alec Ashworth was back at Deepdale exercising and should soon be back in training. Everyone hopes we have seen the end of this injury bugbear, which has dealt us such harsh and heavy blows during this ill-starred season.

KNOW YOUR TEAM 11. *Alec Ashworth*

This has been the unluckiest of Alec Ashworth's six seasons in League football. He considered himself ill-served in having to miss 11 Second Division games and four F.A. Cup-ties after coming to Deepdale as Northampton's leading scorer with 25 goals in their 1962-63 promotion year. But even in that campaign he missed 16 of the Cobblers' 46 League games owing to injury. He has fared far worse this term, however, than in either of those two seasons, having made only five first team appearances out of a possible 21. Called upon to deputise for injured Alex Dawson after opening at inside right, he had led the attack in only two games—the second of which brought a 5-1 win at Ipswich—when he became ill and was out of the side for 11 matches. On his return on October 31st, at Portsmouth, he was again centre forward. Two days later, at Deepdale, he suffered his present injury, twisted knee ligaments, in the second minute and has been absent a month. Although he is progressing favourably, having started exercises and got the plaster off, he is unlikely to be back on the job for another six weeks. Needless to say, he has been much missed, and the more so because of other injury troubles. Probably no one has felt the loss of his support more than Dawson, for there is no doubt that one helped the other a great deal last season through being up in the attack together. Ashworth's non-stop pace and terrific enthusiasm in worrying a defence certainly took a lot of the weight off his colleague. It was a dual centre forward act in which Alec's own readiness to have a go always had to be reckoned with as a potential menace, hence his 14 goals last season.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Spectators, particularly our Juvenile Supporters are requested to keep off the playing area. The practice of encroaching on the pitch can lead to incidents, which could result in the closing of the ground by the Football Association.

PLEASE SEE THAT THE PLAYING AREA IS KEPT CLEAR OF SPECTATORS AT ALL TIMES.

OUR VISITORS—*Crystal Palace*

Our welcome to Crystal Palace officials, players and supporters is the more cordial because this is their first visit to Deepdale. The clubs have not previously met in League or Cup. Back in the Second Division after 40 years, the "Glaziers" missed an initial meeting in 1925 through being relegated when we dropped into Division II. Promoted champions of the newly formed Division III in 1920-21, they spent four years in Division II, their highest points total being 39 and their lowest 34. The second club named Crystal Palace, the first having been founded in 1861, they started in 1905 and figured in the Southern League, fair and stately, from 1906-20.

Crystal Palace have had their ups and downs, their League career including three seasons (1958-61) in Division IV. However, they have fared much better since. Promotion to the Third Division was followed after only three seasons in that company by a rise last April, along with Coventry City, to the Second Division.

This ambitious club, run by only four directors and a manager, now aims for the premier section and made a good start. It was quickly realised some re-building would have to be done. Of the 20 players who contributed to last season's promotion run not one, of as many as 12, appears in the side chosen for to-day's match.

Some famous names are among these 12 who comprise Peter Burridge, John Sewell, Fred Lucas, George Petchey, Stewart Imlach, Ronnie Allen, Cliff Holton, Don Townsend, Bill Glazier, Bill Fuller, Billy Birch and Dickie Dowsett. Holton, Burridge and Allen scored 47 League goals between them last term and old-campaigner Dowsett got six.

Newcomers include Roy Horobin, signed from Peterborough in July, Keith Smith, another recruit from that club four months later. Charlie Woods, who was transferred from Bournemouth last week, and home-produced young centre forward Paul Cutler. Woods, born Whitehaven, is one of the few Northerners on the staff.

OLD FAVOURITES 11. *Tom Finney*

If you are wondering why peerless Tom comes eleventh and not first, in this series, the reason is that one merely sought to avoid the obvious. The gentle genius, whose size in hats never varied, even when his England caps and goals became plentiful and he was twice unanimously acclaimed "Footballer of the Year," is pre-eminent in North Ends annals. Never will his like be seen again. He had everything; the mould, once cast, was broken. The rest are at liberty to imitate. Jimmy Milne, who knows a thing or two about football, has often said he has never seen Tom Finney's equal. Willie Cunningham glows with pride over playing behind him and if he wore a hat, he would doff it to "the greatest." Tens of thousands of football lovers would endorse this simple, heartfelt sentiment. He was more than the artificer par excellence. He had the insight, the sixth sense of the born footballer. He could weave, tantalise, torment, deceive and create with either foot, with his swerve and sudden spurts, his gentleness of thought. He was a goal-maker and taker, with equal facility, and versatile enough to play well in any forward position. As a wing half or full back he probably would have been just as good. He was deadly with either foot and could rise like a bird above opponents inches taller than himself in demonstrating his wonderful heading powers. Also he was a thorough and uncomplaining sport, and quite fearless, which no doubt accounts for his missing nearly 100 games and many more than his 76 caps through injury. What a player, this Master of the Arts who played for only one club—that of his native town !

SUPPORTERS' CLUB NOTES

GETTING READY FOR CHRISTMAS

RE-ORGANISATION inside the Supporters' Club has resulted in the House Management Committee being disbanded and superseded by a Bar and Finance Committee and a Social Committee. On the Football Section Committee Mr. T. Dimmock has resigned as vice-chairman to take the post of players' representative. Mr. B. Allison was elected to take over from him as vice-chairman.

AN ALL-STAR FOOTBALL MATCH has been arranged for tomorrow morning (11 a.m.), at Longsands Lane between the Supporters' Club and an "Over Forties" team. The "Over Forties" include George Thompson in goal, Walter Crook at full back, Jimmy Milne at half back, and Tommy Thompson and Tom Finney in the forward line. Coaches will be at the Supporters' Club to transport spectators to and from the match and artists will be appearing in the Club after the match. They have kindly offered their services free of charge for this occasion.

JUNIOR MEMBERS

CHRISTMAS PARTIES. The party for members under 12 years of age is on Sunday, December 13th, from 3-0 to 6-0 p.m. in the afternoon, when there will be plenty of fun and lots of party games. Members between 13-18 years of age are holding their party the next day from 6-0—9-0 in the evening. A beat group has been engaged to provide the entertainment.

PRACTICE MATCHES for Junior Football teams will take place soon after Christmas. The Committee are still finding difficulty in obtaining a pitch to accommodate these youngsters on a Saturday morning.

SUPPORTERS' CLUB NOTES—continued

FOOTBALL SECTION

NORTH END DIRECTORS are kindly allowing the Supporters' team to use Willow Farm for their home games and a practise match will be held there for all senior player/members early in the New Year. Members who have not yet signed for the team are reminded that they can do so after to-day's game until 5-30 p.m. Membership of the Football Section is to be closed very shortly.

THE FOOTBALL TEAM fulfilled two fixtures on Sunday and considering the heavy conditions in both games, did extremely well under the circumstances, despite losing both games by the odd goal.

In the morning they lost 5-6 to Continental F.C. at Penwortham. Three down after 15 minutes they fought back well, and, with two goals from Roy Christopher (2) and Mick Gornall (2), led 4-3 at the interval. In the second half, when leading 5-4 after a goal from Tony Langton, they lost the initiative and a late rally by their opponents settled the issue. Scorers for Continental F.C., Butler (3), Kirkby (2) and Tuson.

AT LOSTOCK HALL. In the afternoon they lost 3-4 to Winter and Fishwicks despite leading 3-1 at one stage in the second half.

FORTHCOMING TRIPS
